Student**Comments**

- #1** - He would organize the class so that we know what was going to happen during the class. He also tried to make the class more fun since we had to be there for an hour and forty minutes.
- #2** - He communicated well with the class during class
- #5** - It course was design to help you be comfortable speaking in front of people.
- #6** - he made the activities fun for what we were learning in out lecture.
- #7** - Dev is very enthusiastic about the subject and he wants his students to do well. He definitely tries to keep the class interesting.
- #9** - He is very nice and loves teaching. He always trys to help the class have fun while learning.
- #10** - He came up with creative ways to teach the material from the book.
- #11** - Very nice and understanding
- #12** - Experience
- #13** - keeping class interesting but informative at the same time.

G19. Please comment on the weaknesses of the instructor and the course.

Student**Comments**

- #1** - It was really boring and I did not feel as if it helped me at all.
- #2** - not as organized as he could be
- #6** - i like to have an up to date grade for my class.
- #7** - The length of the lab was too long; I think it would be better to have the lab meet twice a week. It would be beneficial to have better study guides or practice tests before the exams. I also did not find the workbook to be beneficial at all. I would have enjoyed being able to access my grades on Blackboard as well.
- #9** - Some assignments were not exactly clear on what to do. He could have explained these in more detail (giving examples).
- #10** - There was not enough review for the tests.
- #11** - Didnt keep up-to-date grades
- #12** - Possibly more test reviews
- #13** - i occasionally would have a hard time following what was expected on the assignment htat was due next week.

G20. Please comment on any teaching methods you found particularly helpful, and suggest alternative methods that you feel would improve the course.

Student**Comments**

- #1** - I do not think anything was helpful.
- #2** - repitition, interaction, entertianment
- #5** - He made you get involve in class to get a better understanding of the material.
- #7** - Doing the persuasive speech was beneficial, but I do not feel that writing the reflection papers helped me at all. For additional suggestions, also refer to question 19.
- #9** - Group activities are always a good way to go. This teaching method was helpful to me. If anything, include more fun activities. This allows students to have fun and learn.
- #11** - fully explaining details and instructions
- #12** - Teaching to the Class
- #13** - i like how he always kept the class involved in the discussion for the day. we were always asked to participate in class which helped me learn.
